

## **Refunds Policy**

*Our policy on refunds is outlined in the supplementary regulations for each championship as follows:*

*10. Refunds: Refunds for cancelled entries notified to the Organisers prior to the Official Closing date will qualify for a full refund less £25 administration fee. No refunds are payable for withdrawals after the Official Closing date or where a vehicle is rejected at pre-event Safety Scrutineering. In the event of bad weather or other circumstance which force the cancellation of a race meeting prior to practice / qualifying commencing, a full refund minus £25 administration fee will be issued.*

*However, in cases where competitors have an exceptional reason for cancelling an entry after the Official Closing date (e.g their car suffers a failure in Saturday testing that can't be resolved for Sunday) then we will consider issuing a credit for the next race meeting. Note we will not transfer credits into the next calendar year.*
