

Track Night Information

This full day open session is available for up to 40 drivers and runs an open pitlane format.

There are no sessions, so you can go out on track as and when you like and as often as you like throughout the day.

You may take a passenger out on track as long as they are aged 14 years or older and meet the minimum height requirements of 135cm. There is no additional charge for taking passengers out.

Licence Requirements

All drivers must hold one of the following licences and comply with the relevant regulations in order to take part in a track day: DVLA road licence - must be a fully unrestricted (not provisional) valid driving licence issued by the DVLA (or the equivalent foreign licensing authority in the driver's country of residence) with the appropriate category clearly indicated. MSA National B (or higher) race licence valid in current year (drivers must be 17yrs +).

No licence = No driving.

Equipment

All drivers and passengers must wear a suitable crash helmet and have their legs covered at all times whilst on circuit. In the case of open top vehicles, drivers must wear a full face helmet. Helmets are available to hire from Knockhill Racing Circuit for a small fee.

Any filming equipment must be secured inside the vehicle and may be inspected prior to track session. Hand held or helmet cameras are NOT permitted.

Vehicle Requirements

In the case of road cars - the vehicle must conform to MOT minimum standards for road use or Motorsport UK current safety regulations for track cars. All cars must have working seatbelts regardless of age. It must be in good condition both mechanically and bodily and suitable for its intended use on the track. It is your duty to ensure that the vehicle remains in this condition for the duration of the activity, in the interests of your safety and the safety of others at the circuit. Open wheels/single seaters are not permitted.
