

SMRC SPRING ESPORTS RACING CHAMPIONSHIP 2020

RULES

1. ENTRANCE REQUIREMENTS

- The competition is open to all and there is no minimum age.
- All competitors must register for each event - via the SMRC website - to be eligible to take part. This is important as all race details will be emailed to you before each event – if you're not registered, you will not get the information.

2. CODE OF CONDUCT

- As a competitor in the SMRC Esports Racing Championship, you are representing the Scottish Motor Racing Club and partners of the competition. This series is about competition but it is also about having fun. The expectation in this competition is that you will not lash-out at your fellow drivers, race officials, employees or fans, in any forum. There is no place for unprofessional behaviour in this competition. Therefore, SMRC expects competitors, and their associates, at all times to:
 - o Respect the decisions of event officials.
 - o Treat all competitors, officials equally with respect.
 - o Maintain the highest standards of driving behaviour.
 - o Conduct themselves in a proper manner at all times and always behave in the best interests of the Scottish Motor Racing Club.
- As such, the organisers reserve the right to refuse entry, penalise or disqualify anyone who is deemed to have transgressed from this code of conduct.

3. EVENT ENTRY

- Competitors will need to enter each individual event by the preceding Sunday of each race at 10pm. We will announce when entries open for each race meeting on social media and via email (if we have your address).

4. RACES

Format

- Each race event will consist of a 10-minute qualifying session and two 12 minute races.
- Each event will use a different car (as outlined in the calendar). Drivers will be able to choose between using either the 'loose' or 'stable' set-up for their car within the game.
- If necessary, we will run qualifying heats in the build-up to each event, to determine the starters. You will be notified of the dates and timing of these sessions via email.

- Qualifying heats will take the format of a 10 minute qualifying session and a 10 minute race for each driver.
- Weather conditions in qualifying heats and the races may vary
- Organisers reserve the right to change the date and / or the format of qualifying events at their discretion

Scoring

- Points will be awarded down to 15th position as follows: 25 – 20 – 16 – 14 – 12 – 10 – 9 – 8 – 7 – 6 – 5 – 4 – 3 – 2 – 1.
- In the event of any points ties, the Competitions Director will make a judgement based on aggregated fastest laps and finishing positions across the events.

Online Racing Rules

- Competitions will be run in line with the Project Cars Sporting Code; any penalties will be applied automatically in game.
