

Refunds Policy

Our policy on refunds is as follows:

Refunds for cancelled entries notified to the Organisers prior to the Official Closing date will qualify for a full refund less £25 administration fee. No refunds are payable for withdrawals after the Official Closing date or where a vehicle is rejected at pre-event Safety Scrutineering.

However, in cases where competitors have an exceptional reason for cancelling an entry after the Official Closing date (e.g their car suffers a failure during pre-event testing that can't be resolved in time for the Event) then we will consider issuing a credit for the next race meeting. Note we will not transfer credits into the next calendar year.

In the event of bad weather or other circumstance which force the cancellation or abandonment of a race meeting the Club will make reasonable efforts to recover any third-party supplier charges. However, if these charges cannot be recovered, the entry fee will not be refunded or credited.
